## Best Student Poster Award

Jan 14, 2008 by ROB

### Introduction

Dr. Carl Calvert created in 2007 an award to stimulate the research on topics covered by the IAG Reference Frame Sub-commission for Europe - EUREF and give the opportunity to students to present their work.

EUREF will offer each year a "Best Student Poster Award" at the annual EUREF Symposium.

The award consists on a certificate and a monetary prize of 100 €.

### Eligibility

To be eligible for an award, applicants must:

- Be the first author on a poster submission
- Be a full-time PhD student (or equivalent) at the time of submission
- Present their poster research at the EUREF Symposium

### Application

The candidates must send their applications together with the [abstract submission](#).

### Award Criteria

The winner is selected by the Jury according to the following major criteria:

- Scientific quality
- Quality, structure and organization of the poster presentation

### Jury

The Jury is formed by members of the EUREF Technical Working Group (TWG).

The Jury evaluates the posters displayed during the EUREF Symposium and communicates the author to be awarded to the EUREF Chair.

### Announcement

The winner is announced during the closing session of the EUREF Symposium.
