- Presently data from different sources at

<http://www.euref-iag.net>

- Campaigns Czech 2009, Greece 2009, Italy 2008, Greece 2009, Latvia/Lithuania 2005, Moldova 1999 and UK/EIR 2009
- No digital data from campaigns
- Example 001A linked with IGS-like log sheet
- Campaigns until 2009 have no deliverables -> no data files (e.g. coordinates, SINEX)

- Deliverables 2009-:
  - **Report** Italy, UK/EIR, Greece, Czech Republic
  - **SINEX** Italy, Greece, Czech Republic (**UK still not there**)
  - **Log sheets** None, partially created from reports (**reports do not tell the whole history of permanent stations which becom EUREF Class B stations**)
- Extractions 1989-2009:
  - **2000-2009** Meta-Data digitally available, **coordinates mostly not**
  - **1989-2000** Refer to paper copies (Symposia Proceedings)
