

EUREF Campaigns

Status of Deliverables and Web pages

G. Stangl

- Step in from EUREF home page ->European Geodetic Reference Systems -> EUREF Densification Campaigns

<http://www.euref.eu>

- Web Pages on ftp-Server -> no PHP, no MySQL, no Google Maps API possible ->Static Webpages + Google Maps online have to be used
- Digital data of campaigns 2009-2011
- Deliverables could be improved in most cases (availability, form)

Google Maps may have changed their rules (no links in placemarkers)
