

Invitation to the EUREF–LAC workshop

hosted by AIUB

Astronomisches Institut

Time constraints

- **Lecture season at the University:**
mid of February to end of May
mit of September to Christmas
- **Initial proposal was beginning of 2016**
- **Upcoming IGS workshop is also scheduled in beginning of February.**
- **Alternative: the only room in the University that is not used for lecture: Kuppelraum**

Kuppelraum with up to 100 seats

... or with tables for a smaller audience

Schedule

- Kuppelraum has been reserved for three days:

Tue	13. Oct.	TWG-meeting
Wed	14. Oct	LAC workshop
Thu	15. Oct	(BSW-tutorial if there is an interest)
