

ETRS89 QUESTIONNAIRE

João Agria Torres
Johannes Ihde

BACKGROUND

- ✓ *The European Terrestrial Reference System ETRS89 was defined in 1990*
- ✓ *ETRS89 was recommended for adoption by the NMCA and European organizations*
- ✓ *It's important to know how the adoption process is going on in the different countries*
- ✓ *TWG meeting in Prague (November 2004): decision to collect the most accurate and complete information on the adoption of ETRS89*
- ✓ *February 2005: EUREF and EuroGeographics joint questionnaire sent to the NMCA*
- ✓ *Request for answers until March 11*

STATISTICS

<i>Countries to whom the letter was sent</i>	41
<i>Countries who answered</i>	27
<i>Countries who adopted already ETRS89</i>	21 (78%)
<i>Countries who will adopt ETRS89</i>	4 (15%)
<i>Countries who will not adopted ETRS89</i>	2 (7%)
<i>Official support: by law</i>	10
<i>Official support: by standard</i>	6
<i>Official support: by recommendation</i>	9
<i>Use: always mandatory</i>	6
<i>Use: in specific situations</i>	13
<i>Use: complementary</i>	16

CONCLUSION

- *66% of the countries answered*
- *The questionnaire proved to be a good tool to evaluate the status of ETRS89 adoption Europe-wide*
- *The number of countries that explicitly don't adopt ETRS89 (2) shows very well the degree of acceptance of the system*
- *The information received will be treated in more detail within the next months*

***WE DEEPLY THANK THE COUNTRIES THAT
PROVIDED INFORMATION***

***THE REMAINING COUNTRIES ARE KINDLY INVITED
TO ANSWER THE QUESTIONNAIRE***
