

Rialtas na hÉireann
Government of Ireland

Ireland Country Update

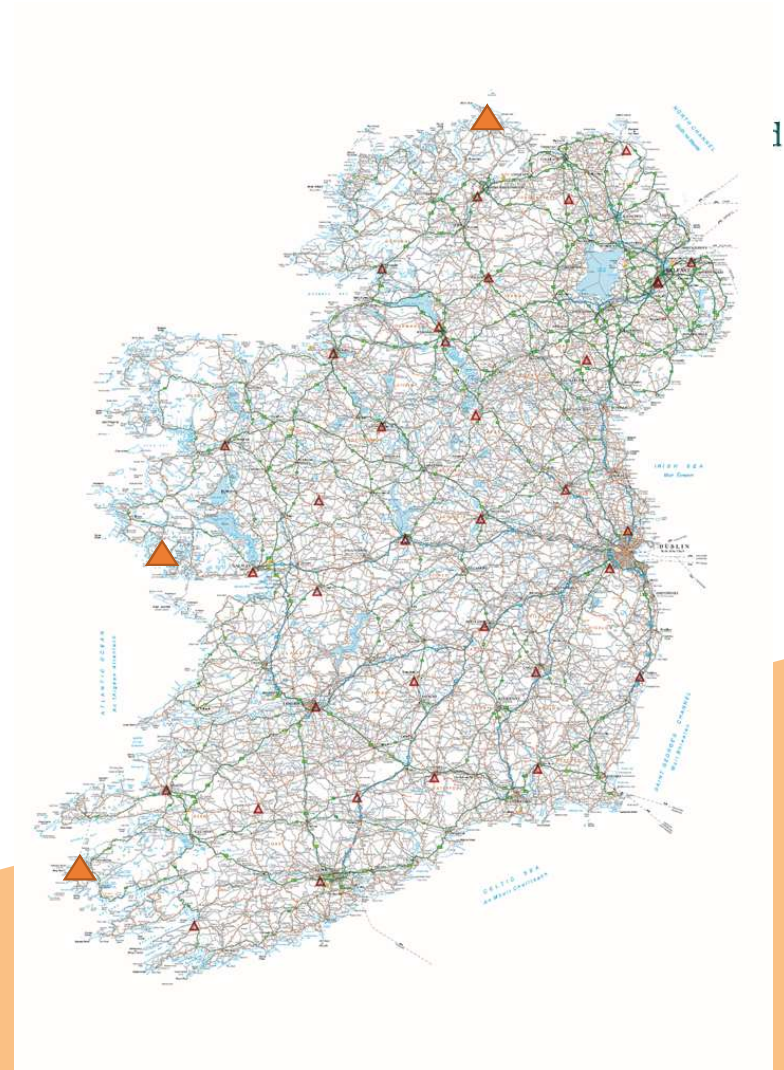

2019

Bedrock Stations

Working towards 3 Bedrock stations

- Valentia is upgraded and operational
- Malin Head work has started on preparing the site.
- Mace Head work has started on the construction of the Monument.
- Expect to have all up and running by the end of this year.

Resurveying our Primary Infrastructure

Rialtas na hÉireann
Government of Ireland

This project is giving us a lot of information on the condition of our monuments

Absolute Gravity Network

Ireland is new to gravity measurements

- Approx 50 points
- On bedrock if possible
- Joint project with LPS
