

Dear guests!

On behalf of the Geodetic and Cartographic Institute in Bratislava, and myself as well, allow me to extend a warm welcome to you at our Institute, in Bratislava, in Slovakia.

Geodetic and Cartographic Institute Bratislava is a budget organization within the scope of the Geodesy, Cartography and Cadastre Authority of the Slovak Republic. It was established on the 1st January 1991, its operation scope covers the whole territory of the Slovak Republic and provides activities in the field of building and maintenance of:

- Geodetic control
- Central database of the real estate cadastre
- Primary base of geographic information systems
- State map series
- Documentation, archives and departmental information centre (OBIS) .

The above work is carried out at the workplaces in Bratislava, Košice, Prešov and Žilina by 276 employees.

It is a great pleasure to welcome you here, we feel honoured by your visit.

I wish you successful work and agreeable stay in Bratislava. Thank you.

Director of the Geodetic and Cartographic Institute Bratislava
Ing. Hedviga Majovská
